OPERA HOUSE LEASED.

Board of Health Issues Clean-up Orders—Business Changes.

Special Correspondence.

Logan, Cache Co., April 15.—B. and G. Thatcher have begun work on the new building to be erected adjoining the old one on the south. The building will be a one-story brick structure and will be occupied by Ben Carlisle, the florist.

A. Homer will sever his connection with the First National bank about May 1, and will go to San Francisco to accept a position with the American National bank of that city.

Moses Thatcher delivered an address at the board of health meeting at the Agricultural college yesterday.

M. J. Ballard delivered a lecture on the subject of the Mutuals of the Fourth ward this evening.

THE CITY BOARD OF HEALTH has notified all residents of the city that there must be an immediate cleaning up of all back yards, sidewalks, ditches and the removal of all disease-breeding refuse, or action will be taken by the board.

The Sunday school workers of the Cache stake were in session at the Brigham Young College today. Elder Horace Cummings of the general board was in attendance.

David Eccles spent yesterday in looking after his interests in this city.

OPERA HOUSE LEASED.

The Thatcher Opera House has been leased to the Denver Theater company for a term of two years. Preston Thatcher will manage the house for the new company.

The Logan knitting factory is installing some circular knitting machines for the manufacture of light weight summer underwear. Heretofore the work from which this class of goods was made has been imported from the east.

Everett & Sons are building an addition to their store on First North street.

JUST CAUSE.

Your cough is only in the throat and does not trouble you now, don't think that it needs no attention. When it has not had much of a start is the time to check it. The slightest cough easily leads to Pneumonia, Bronchitis and Consumption. A bottle of Hall's Horehound Syrup will cure that cough. The price puts it within reach of all. Sold by Z. C. M. Drug Dept., 112 and 114 South Main Street.

ISSUES CLEAN-UP ORDERS.

The city board of health has notified all residents of the city that there must be an immediate cleaning up of all back yards, sidewalks, ditches and the removal of all disease-breeding refuse, or action will be taken by the board.

NORTH OGDEN.

DIES OF HIS INJURIES.

Young Richard Smith Succumbs to Accidental Gun Shot Wounds.

Special Correspondence.

North Ogden, Weber Co., April 14.—The death of Richard Sidney Smith caused a feeling of sadness to pervade every soul of his own town and his many friends elsewhere. His death resulted from an accidental gunshot wound received last Saturday, when he and other boys were at a neighbor's contemplating a trip on the bench, rabbit shooting, when the gun was accidentally discharged into his body. All was done for him that the kindest attention and best of medical skill could afford, but his injuries were so serious that he died yesterday morning, when his spirit took its flight to the God who gave it.

He was born in North Ogden, Sept. 2, 1891, of Abner and Richard C. Smith and Rebecca Nichols, baptized June 5, 1904, was a faithful, devoted worker in the Sabbath school and well up in his studies in the district school. His death developed marked ability, contributing in pleasing style to the most excellent program on the last annual missionary day in North Ogden, March 5, and was under engagement to play for a theatrical performance under way by members of the district school. Funeral services will be held in North Ogden.

PARK CITY.

Farwell Social in Honor of John L. Eddington.

Special Correspondence.

Park City, Summit Co., April 12.—Today a farewell social was given at the latter-day Saints meetinghouse to John L. Eddington, who is leaving this city to join his wife in the East. A pleasant program was carried out, closing with a dance. Elder Eddington has been assistant superintendent and a faithful worker in the Sabbath school for the past three years and he takes with him the well wishes of the Park City ward.

SPANISH FORK.

WM. A. STOKER DEAD.

Honored Citizen Answers Sudden Summons.

Special Correspondence.

Spanish Fork, Utah Co., April 11.—Samuel Eddington, who lately underwent a serious operation at the L. D. S. hospital, is reported doing nicely.

The people were startled yesterday by the sudden death of another of our honored citizens, Wm. A. Stoker.

The frequent rains permit of but little work being done and as a result farmers are getting very uneasy. Arrangements have been made with Mr. Mount of the Mount Pickle Co. of Salt Lake City, for tanks to be built at the R. G. W. depot and as a result the farmers are contracting to grow 40 or 50 acres of cucumbers.

The buildings are being moved from the deck farm and the carpenters have begun work erecting the canning factory on the ground.

J. Milton Beck has returned from the A. C. Logan, and after a few months here will leave for the East.

The Sunday school state convention will be held here Sunday next. Three sessions will be held.

RICHFIELD.

NEW BANK CORPORATION.

Jensen Bros. Co.—Alleged Insane Man Holds the Fort.

Special Correspondence.

Richfield, Sevier Co., April 14.—About forty of the stockholders of the State Bank of Sevier met at the county court house yesterday. The meeting was called mainly for the purpose of adopting and subscribing the articles of agreement. The capital stock was also increased from \$40,000 to \$45,000. Today the cashier, Heber C. Christensen, has been busy at the office of the bank receiving payments upon the stock subscribed, 50 per cent of which is payable in cash, the balance to be paid in installments of not less than one-tenth each month. The new institution starts out with very flattering prospects. Subscriptions for stock were received far in excess of the authorized capital. The stockholders number in excess of 100, and while the majority practically every section of the state is represented.

The case of Brig Petersen vs. Michael Kane has occupied the day in the city justice's court. This is a case where the plaintiff sued to recover \$35 for damages done to a pasture and a stack of hay by defendant's cattle. The case

Every Heart Beat

Forces about 8 ounces of blood out of the heart, and sends it coursing through the veins to the remotest part of the body. This is the amount required by nature to nourish and sustain your body. Every ounce less than this means a shortage in nature's supply of building-up material. A weak heart cannot meet this demand, and consequently you suffer. If your heart skips a beat, or flutters, palpitates, pains you, or you have shortness of breath, you may be sure that the heart is working imperfectly.

Dr. Miles' Heart Cure will strengthen the heart muscles and nerves.

REBECCA BENNETT.

1519 Yandell St., Indianapolis, Ind. Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails return it for a refund. Write to Dr. Miles Medical Co., Elkhart, Ind.

SPORTS

SHOOTING AND RIFLE

New Men Go Under Eleven Seconds at Provo and L. D. S. U.

Distance runners rare.

Only a few of them show up and they make slow time for record possibilities.

New athletic stars are looming up on the horizon of the track and field squads of the various schools, and here and there they promise to shine in the state meet with first magnitude dimensions.

So far none have loomed up with a glow powerful enough to dim the light of the veterans, but another week of good training, such as the weather conditions seem to promise for this week, may do much to change the prospects in Utah.

The latest dope from Colorado makes it look as if Utah still held good chances for points in the pole vault, and the high and broad jump, while her chances in the shot, the discus, and the hammer are only slight.

The sprinters and runs are therefore where the battle will be fought out, and to the swift will be the honors of the day. Utah's weakness in distance and one she is trying hard to remedy.

Swift men for the middle distances would also be very desirable.

At the L. D. S. in the early season training is proving that in E. Parry and McAllister of Provo, Coach Milne has two runners of ability. Parry did the hundred in about 11 seconds Saturday, while McAllister came under 11 in the 200. These records should bring them into the points at the state meet.

At the B. Y. U. in Provo, the interschool field meets, a lot of the points that Christensen can go into the points on the hundred, and is to be figured with in picking up the hundred-yard points.

The summary of the meet is as follows: One hundred and twenty-yard hurdle—Murdoch, Evans, Love, Time—19.

One hundred and twenty-yard hurdle—Christensen, Time—19.

Eight hundred and eighty-yard hurdle—Hanson, Time—2:15.

Four hundred and forty-yard run—Holdaway, Skousen, Alfred, Time—36.

One mile run—Powell, King, Johnson, Time—5:20.

Two hundred and twenty-yard hurdles—Roe, Hanson, Hawley, Time—2:25.

Two hundred and twenty-yard dash—Christensen, Stalling, Carroll, Time—24.

Half-mile relay—Wan by 1907; Chamberlain, Christensen, Evans and Carroll, Time—1:41.

Shot put—H. Peterson, J. Peterson, Murdoch, Distance—37 feet 3 inches.

Pole vault—H. Peterson, Ashworth, King, Height—8 feet 6 inches.

High jump—Baird, Henlyne, Watkins (tie), Henlyne, Height—3 feet 11 inches.

Hammer throw—J. and H. Peterson (tie), Christensen, Distance—94 feet 11 inches.

Broad jump—Baird, Henlyne, Watkins, Distance—19 feet 3 inches.

The points made by each class entered are as follows: 1907, 41 points; 1908, 352 points; 1909, 14 points; 1908, 8 points; 1906, 7 1/2 points.

SAMUELSON IS BACK.

Returns From Australia to Engage in Summer Bike Riding.

W. E. Samuelson, "Prove's Pride," who once was, and now one of the fastest bike riders in the world, is back in Salt Lake from Australia. He will enter the meets here this summer, and with Lawson

Batteries—Vickers and Frary; Williams, Meyers and Street.

Umpire—Perrine.

Los Angeles, Cal., April 15.—Bergeman allowed the visitors to fight Dick Hyland and they were shut out. On the other hand, the locals battled with terrific vigor. They scored a total of eight hits, and hit ten runs, off Cates and Smith. The latter went in in the third inning, but was unable to stop the onslaught of the Los Angeles team. Dillon and Atz were the batting stars. The former got four singles and six runs, and the latter got two singles out of four times up. Broadbent pulled a double support. Avolins threw the ball away in the fifth when the bases were full and two runs were scored. The game was a sensational fielding behind him, Sweeney being the star.

Batteries—Bergeman and Eager; Cates, Smith and Jack. Umpire—Kneel.

Fresno, Cal., April 15.—Wolters, the Santa Clara pitcher, pitched for the Fresno today and lost his opening game by the score of 7 to 6. He was wild and gave up a lot of hits, and he was hit by the bat. He was hit by the bat in the fifth when the bases were full and two runs were scored. The game was a sensational fielding behind him, Sweeney being the star.

Batteries—Califf and McLean; Wolters and Hogan.

Umpire—McDonald.

HYLAND IN DEMAND.

Benny Yanger Anxious to Mix With Sturdy Youngster.

Los Angeles, Cal., April 15.—Benny Yanger, a very anxious to fight Dick Hyland at Pleasant beach some time next month. A telegram came to Manager Bailey from Yanger's manager yesterday night, Mr. Bailey promptly got into communication with Hyland's manager to see if a date could be arranged. Yanger has been a good fighter for years, and while he was never a champion, he was always able to give champions all they wanted to handle. He is not as good now as he once was, but he ought to be able to put up a slashing fight against such a rugged youngster as Hyland, who likes, above all things, to get in and mix with both mita.

CREAM OF TURF

IN CARTER HANDCAP

Famous Horses of America's Best Stables Gathered at New York.

Roseben picked to win.

But other favorites are many and track will probably be very heavy.

New York, April 15.—The Carter handicapper, the 1906 feature of the opening day of the Metropolitan racing will be run at Aqueduct tomorrow probably on a muddy track because of the heavy rains today. The Carter has always been an interesting race, as it has furnished the first real contest between the better class of horses and has oftentimes developed the horse of the year. This was notably the case in 1904, when the speedy Bolden romped over the seven furlongs of the Aqueduct course and won the first place of the year which proclaimed her a champion of the turf. Last year's Carter was won by Ormondes Roke, who is again a candidate this year.

QUESTIONABLE OUTCOME.

Public opinion as to the outcome of the Carter handicap tomorrow is as diversified as usual when the race is about to be run.

The consensus of opinion, however, seems to favor the chances of Roseben, if the going is at all good. This champion sprinter of last season has been in training for some time, and is in the post he doubtless will be favorite.

A BELMONT ENTRY.

Whimsical, the champion 2-year-old filly of last season is another candidate for the Carter handicap. The filly, a yearling expert handicapper, is the daughter of the stable of August Belmont, has his Carter preparation at Belmont's, where he was returned as the only winner during the past week. He likes heavy going and is regarded as a sure factor in tomorrow's contest.

Orleans representatives, Ram's Horn and Phil Finch, the latter one of the stars of the winter season in the south, have been a refreshing rest and have attracted much attention in the Carter trials.

THE RIDERS AND THEIR WEIGHTS.

The horses, jockeys and probable odds are as follows: Roseben, 122 lbs., 2 to 1; Lord of the Vale, 120 lbs., 6 to 1; Phil Finch, 115 lbs., 10 to 1; Williams entry.
